

THE PERFECT AMBROSE

Ninety-four happy golfers enjoyed perfect conditions for the Club's first of many Four Ball Ambrose competitions for members and guests on Sunday February 12. Sponsored by Lanyon Partners, the event could hardly have wanted better weather, better course conditions, or better organisation. Perhaps the only minus was the absence of lady competitors - only seven entries in the entire field - which is somewhat mystifying.

Special mention has to be made of Andrea Webster for the delivery of on-course refreshments; of Lorraine and Peter Adams for making the best salad rolls you could imagine tasting; Nicole Goodison and Lisa Campagna for their after-game barbecue; of Erika Ferrari, Gwlad Kennedy, Jean Hallinan and Marg Price for their salad making; of Danny, Howard and Lindsay at the twelfth tee of who didn't get to witness a hole in one (worth \$1000), but did view some spectacular attempts! and of all others who contributed both on-course and behind the scenes to make the day so successful in all its aspects.
