

WANGARATTA GOLF CLUB

MARCH - APRIL 2014 NEWSLETTER

Building a better future report

The Board is currently looking at another parcel of land within the golf course and discussions have been held with the Developers and the Council administrators. At this stage we are still in negotiations and members will be notified when there is more to report.

Club President leave of absence

Due to heavy work commitments this year, club President Dean Campagna has taken leave of absence from the Board until the AGM in December. Dean will continue as our negotiator with the Developers and the Council Administrators and will continue to order in stock for the golf shop.

Vice President Rob Holloway will be acting Club President until the AGM and any queries should be directed to Rob.

We thank Dean for all the outstanding work he has done so far and wish him a good break from the club for the rest of this year.

Club Information

Shop Volunteers

The shop continues to trade well but is heavily dependent on volunteers. It would be great if more members could consider giving up 2 hours per week to help out-the task is not onerous and you will be well trained!! Please contact **Barb Thomas on 0419889804** if you can help out. We have Easter and Anzac Day coming up which is a very busy time for the club and the more volunteers we have, the easier it is for everyone.

Daylight Saving ends Sunday April 6th

Members note that Daylight Saving ends on Sunday April 6th and the shop hours change for the next six months and operate from 9-5pm daily.

Great Alpine Classic-17th, 18th and 20th March

The 2014 Great Alpine Classic was very successful with around 74 players each day. This year Myrtleford Golf Club organised the event but we would like to thank Geoff Davidson for his part in organising the event along with assistance from Meliesa Dean from our office.

Congratulations to our members Lyn Barker and Aileen Birthisel who performed so well. Lyn won the B Grade aggregate and Aileen was runner up A grade aggregate. The weather was perfect and all three courses in superb condition-a really great 3 days of golf.

A very special thanks to Dean Campagna who organised the tickets, the draw and the financial side of the evening.
